Good morning, yesterday; You wake up
and time has slipped away. And suddenly
it's hard to find the memories we've left
behind, remember. Do you remember the
times of your life?

Dear Teachers,

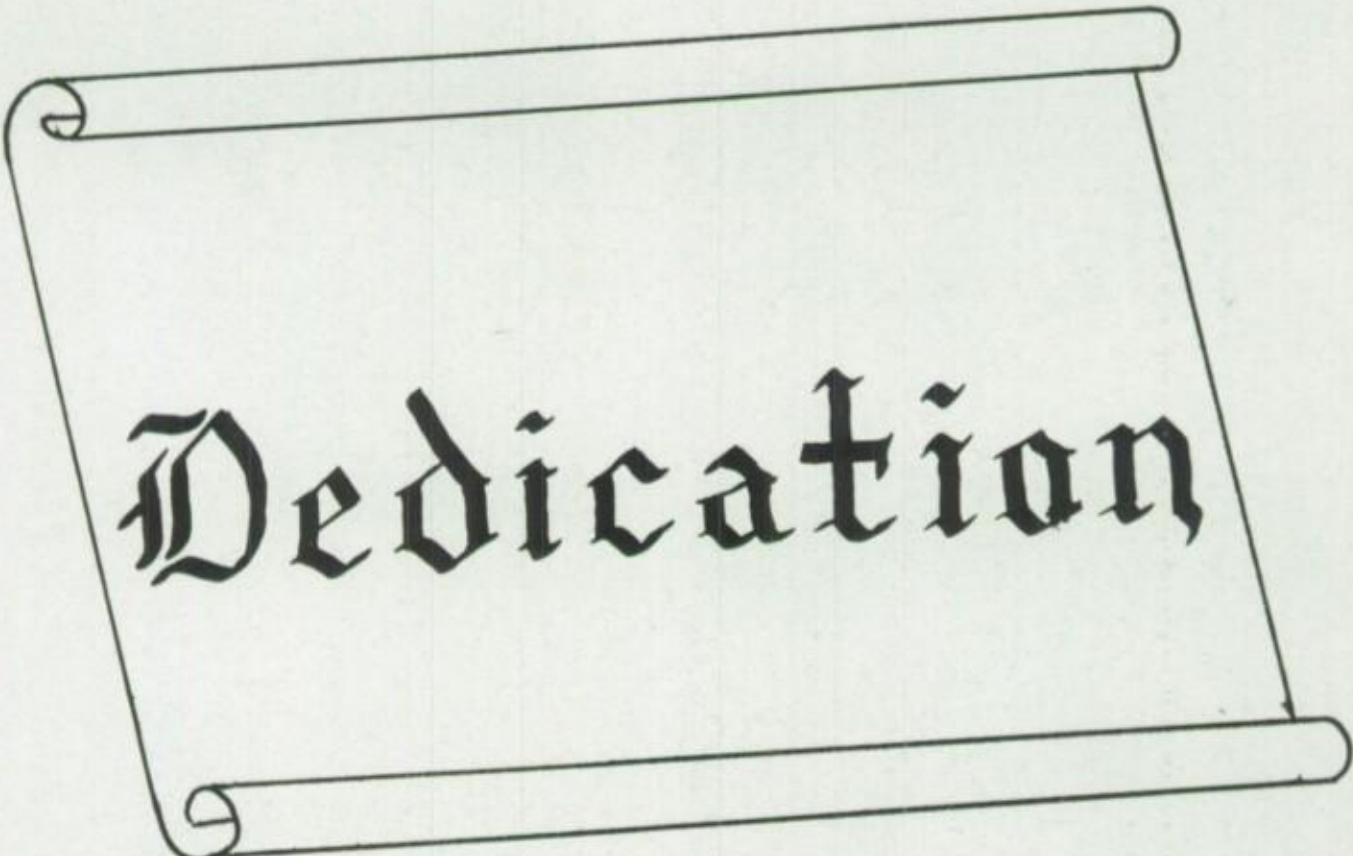

The 1982 Bervalon staff wishes to dedicate this edition of the Bervalon to you. We would like you to know that we recognize and appreciate all the time and guidance which you have given us throughout our high school years. Time has flown by swiftly as we have grown into young adults and we realize that we owe much to you. We thank you for not simply performing your task as educators, but being our friends as well.

Although there were bad times, the memories of the good will remain as we look back on our time in high school. At times you pushed us hard and often we complained, but in the end, we know that it was for our betterment. Although not always apparent, your suggestions and constructive criticism weighed heavily on the minds of all of us when we had decisions to make and problems to resolve.

We hope that you will remember us as the years go by, and many more students pass through the halls of Berlin Brothersvalley. We cannot know what the future holds, but we will always remember these times of our lives. Without a doubt, the success of our future endeavors will reflect the guidance and attention you gave.

Thank you once again.

Sincerely,
CLASS OF 1982

ACTIVITIES

To remember the experience and enjoyment from adding your input and being a part of something positive.

STUDENT COUNCIL LAUNCHES "NEW SPIRIT"

Vice President — Jeff Calvert

President — Steve Landis

Treasurer — Sony Sterner

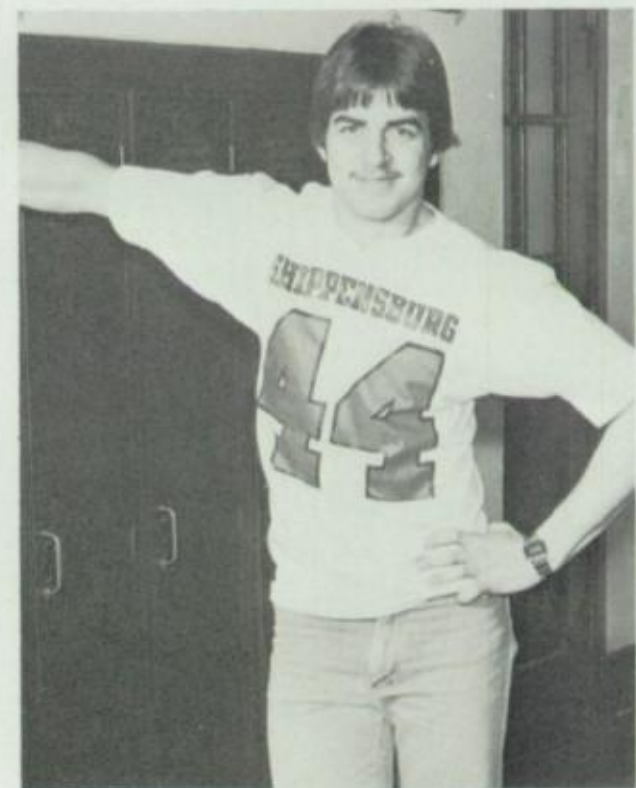

Secretary — Karen Trulick

Student Council is the student government organization of Berlin Brothersvalley High School. Student Council consists of five officers: President, Vice President, Treasurer, Secretary, and Sergeant-at-Arms; the Presidents of the Freshman, Sophomore, Junior, and Senior classes, and one representative from each homeroom in grades 7-12.

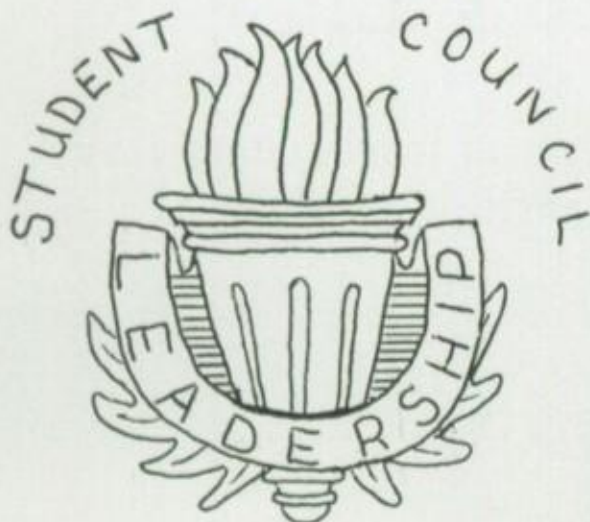

Student Council's main function is to carry out projects, programs, and activities that will benefit the student body and Berlin Brothersvalley High School. To do this, Student Council officers are elected from the entire student body in an election campaign held in May of each year. The Student Council officers take the responsibility for the operation of Student Council, as well as originating and executing new projects and school improvement programs.

The entire Student Council organization is designed to allow students to make their voices heard in student government and to provide quick, effective action on all ideas.

Sergeant-at-Arms — Craig Leydig

Advisors — Anthony Cugini, Ron Pritts

Class Presidents — Don Williams, Betsy Will, Jon Croner, Julie McKenzie.

This year's Student Council was by far the most active ever. Many new ideas and school improvement projects were put into effect this year.

Student Council approved the "New Spirit" plan at its January meeting. This plan consisted of four elements: patriotism, participation, progress, and pride. Under each of these elements were several items, each of which was designed to make a particular improvement in our school.

Among other Student Council activities was a voter registration drive for seniors, approval of a plan to put two students on the School Board as non-voting members, and the observance of National Student Leadership Day. All in all, this was a most exciting year for your Student Council.

STUDENT COUNCIL FORMS KEY CLUB

As part of the observance of National Student Leadership Day, Student Council formed Key Club, an honorary leadership society to recognize those few seniors each year who have demonstrated outstanding leadership during their high school careers. The students were recommended for membership by faculty members, and those students receiving the most recommendations were accepted for membership and presented with keys at the National Student Leadership Day Awards Assembly. The qualifications for Key Club are the following:

1. Positions of leadership held
2. Real leadership shown
3. Respect given student by peers
4. Personal character, behavior, and attitude

Faculty members were asked to recommend those students who met these qualifications. It is hoped that Key Club will become a tradition here at Berlin Brothersvalley High School.

QUIZ TEAM DOES NOT COMPETE

Seated: Jeff Calvert, Captain — Steve Landis, Rick Scurfield, John Dunn (not pictured), *Standing:* — alternates — Deanna Hersch, Jon Croner.

Coach — Sharon Pletcher.

This year's quiz team had hopes of defending the 1981 championship, but was unable to compete due to television program changes. The quiz competition was to be held at the University of Pittsburgh, at Johnstown until further difficulties forced the entire cancellation of the 1982 competition.

NEW IDEA WORKS FOR CHARITY CHEST

Officers: — Kartina Walters; Treasurer — Craig Leydig; Advisors: Diane Shark, Donald Poorbaugh; Vice President — Dave Paul; President — Steve Landis.

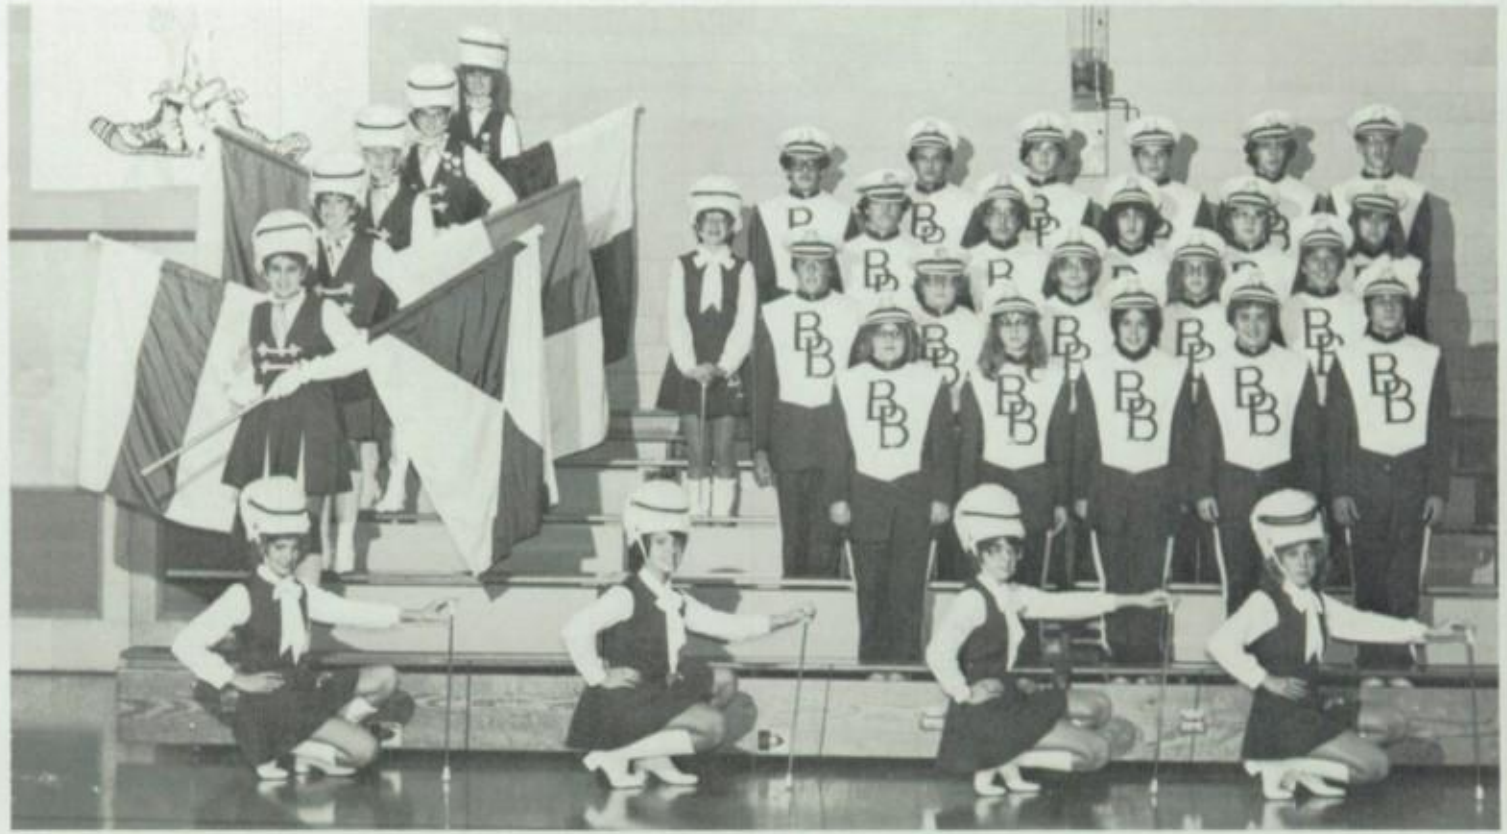

Charity Chest's Winning Teachers: Third — Michelle Nakich; First — Ron Pritts; Second — Carol Toth.

The Brothersvalley Chapter of National Honor Society is an organization of students in 11th-12th grade who have at least a 3.2 grade point average. These students must also possess the qualities of leadership, character, and service as determined by the faculty.

The first activity of the society was the Charity Chest drive. This year's drive was the conducted by having students donate to their favorite teacher. The elementary received a pizza party in the homeroom which collected the most money. A total of \$1141.71 was collected and distributed to various charities. December 16 marked the induction of new members and officers. The student body and parents were invited to the induction which was held in the auditorium. In order to raise money for future activities, Honor Society sold Mountaineer T-shirts. From February 8-17, 308 shirts were sold. The constitution of the chapter was revised to better enforce the required qualities of leadership, character, and service. Honor Society purchased a banner to be displayed at various activities. One of the biggest activities of the year was the Junior High Honor Banquet. This banquet is held to honor students in grades 7-9 who have made the honor roll at least once during the school year. Approximately 250 students, parents, and faculty were present.

This year was one of the most successful ever for the Forensics Team at Berlin. Under the guidance of Mrs. Sharon Pletcher, coach, the Forensics team competed in two invitational tournaments at Westmont High School as well as the District V Speech Tournament at St. Francis College.

The team is made up of students in grades 9-12 who have an interest in public speaking and a desire to compete against students from other schools. Students may compete in several categories including: Informative Speaking, Persuasive Speaking, Prose Reading, Poetry Reading, Dramatic Interpretation, and Boys' and Girls' Extemporaneous Speaking. Speakers from Berlin won many ribbons in the two invitational tournaments in which they competed.

Steve Landis qualified for the National Speech Tournament in Detroit, Michigan and is the first student from Berlin to do this.

YEA stands for Youth Education Association. The purpose of this club is to give students, grades nine through twelve, the opportunity to tutor the elementary students. This has a dual purpose. One, it helps out the teachers; and two, it helps a student to decide whether they would like to work with children by becoming teachers.

YEA is not just limited to school functions. It is also a club which helps out its community and fellowman. This year, some of the members went to Maple Mountain Manor and helped the residents around to the different carnival activities. YEA members also sold daffodils to help the American Cancer Society.

Organizing the annual Soph-Senior and selling the annual carnations kept the members busy. YEA members also acted as guides and hostesses at the BBHS Open House.

Future Business Leaders of America (FBLA) is a club designed for students in grades nine through twelve who are enrolled in at least one business subject. Members of this club have monthly meetings at their own school and have a meeting on the regional level every fall for a workshop and every spring for a leadership conference where students compete in various business subjects in hopes of attaining honors and advancing to the State Leadership Conference which is a three day event held each May at Host Farm, Lancaster, PA. Top placers here advance to national competition. This conference is held during the July 4 holiday week in a major United States city. This year's national theme is "In Touch With the Business of America" with the national conference held in Indianapolis, Indiana, July, 1982. Mr. Harold Bush is the Berlin advisor and also serves as Region 17 advisor. Regional Officers — For the past several years Berlin had had the honor of having one of their FBLA members hold the Region 17 office of president or secretary. Although the same school cannot succeed itself in an office, Berlin students have held these two offices alternately. As this year came to a close, we commended Mary Keep on a job well done as 1981-82 Region 17 secretary and wish Jackie Meyers good luck as 1982-83 Regional 17 President.

BERVALON UNDER "DICTATORSHIP"

Editors: Steve Landis, Jon Croner; Business Manager — Tammie Deist; Assistant Editors — Patty Poorbaugh, Jan Sayler

Advisor: Miss Diane Shark

The Bervalon staff is a group of students who work enthusiastically to produce a memorable yearbook covering the year's events. The yearbook staff is made up of seniors who were recommended by the faculty as juniors. The students recommended were asked to write a paragraph about the things that they would do as Bervalon staff members.

Once accepted to the yearbook staff, students then join one of several sections which produce different parts of the Bervalon. Editors and assistant editors are chosen from recommendations submitted by the staff. The editors have the responsibility for the production of the yearbook, and they are also responsible for finding mistakes in pages being submitted to the printer.

The procedure for producing the yearbook is complex and requires a lot of work. A ladder is made, listing what will be on each page. Each page is roughed out on a tablet sized piece of paper. This rough sketch is then drawn on a page-sized piece of paper, so that the amount of space needed for pictures, captions, and copy can be determined. The final page is then placed on another page-sized piece of paper and several carbon copies are made. The completed pages are then sent to the printer. Proofs are made which are sent back to the staff, so that they may be checked again before the pages are printed. It takes a lot to make a yearbook that students can look at with pride and remember fondly their high school days.

"Spirit" is a humorous play that takes place at the Happy Hollow rest home. This place brings together several interesting characters with at least one thing in common — they want more out of life than their restricted existence allows. The other residents are overjoyed when Clara, a hilarious eighty-three year old woman, begins taking hula lessons, holding seances, and sending out for pizza.

SWEET DREAMS

This is the time when you need a friend
 You just need someone near
 I'm not looking forward to the night I will spend,
 thinking of you when you're not here
 How many times will I think about the things I'd like
 to do,
 always denied the right to live my life the way I want,
 I want to share it with you.

(Chorus)

Close your eyes I want to ride the skies
 In my sweet dreams, Close your eyes I want
 to see you tonight in my sweet dreams.

I'll think of your kiss as the days roll by
 And I'll write the words you love
 And what I can't say in a letter
 Will just have to wait till I get home.

Ooh there's not much time to tell you half

The things I should

Only that I'm so glad I fell in love with you
 And I'd do it again if I could

(Chorus — Twice)

Sleep like a child resting deep

You don't know what you give me I keep
 For these moments alone.

(Chorus)

“THE TIMES OF OUR LIVES”

**The clock has struck the hour of twelve
and the first day of our life is done.
As we look back, time's gone so fast,
yet it seems we've always been here.
We cannot stop to contemplate
the new day coming on.
For as we stop to fear or doubt
a moment is past and gone.
In future days, we'll look back and smile.
The sad times never remembered.
We'll say it was nice and wish we were there,
yet know in our hearts we cannot.
For to change is to grow to be our best,
and success comes in our own satisfaction with ourselves.**

CLASS HISTORY

As we the Class of 1982 look back upon our days of Berlin Brothersvalley High School, we have found memories of the "Times of Our Lives."

In eighth grade we voted Katrina Walters and Brian Coughenour as outstanding Boy and Girl.

Next, we voted for our first Homecoming attendant. She was Katrina Walters, and her escort was Brian Coughenour. "A Star Is Born" was the theme of our Freshman float. It won fourth place. Brian Coughenour won the Ninth Grade English Award.

Our Sophomore year started with the election of class officers. The officers were President — Jim Maddy, Vice President — Brian Coughenour, secretary — Jan Sayler, Treasurer — Wilmer Foor. Our Homecoming attendant was Tricia Lichty and her escort was Doug Lehman. Our float "Georgia Tech" won second place. The tenth grade Algebra award was won by Katrina Walters. Brian Coughenour was named the Highest Scholastic Sophomore.

Our Junior year began with the election of class officers. The officers were President — Jan Sayler, Vice President — Kelly Geary, Secretary — Mary Keep, and Treasurer — Gail Baughman. Our first major activity was a magazine sale to raise money for the Prom. Our Homecoming attendant was Betsy Schrock and her escort was Steve Thomas. Our float "Football" won second place. The annual Junior-Senior Prom, which was our responsibility to plan and organize, was held at the Johnstown Holiday Inn with the theme "Keep on Loving You." We chose Jan Sayler as our Homecoming Queen, and Bob Burk was her escort. Our other attendants were Katrina Walters with escort Doug Lehman, and Darla Emerick with escort Steve Custer. Our float "Army" won first place in Homecoming competition. Jan Sayler was chosen FFA Sweetheart. We presented the Senior Class Play entitled "Spirit" in November of 1981.  You Know

THE TIMES OF YOUR LIFE!!

To end is to begin
And to remember the times of your life.

A time to choose for the future and look ahead to
what life has to offer you.

To recall those who helped us along the way
through our halls of learning.

A time to think of those who make their way after
us cutting a swath through times as we did.

To remember the experience and enjoyment from
adding your input and being a part of something
positive.

To reminisce of pain and joy in sharing team
spirit, pushing yourself to the max, and getting
something out of it.

All these are times in your life.
But these things that we've shared through our
years at school aren't easily forgotten.
And though the decisions you make may take you
to the corners of the earth, you will always have in
your mind those memories of

THE TIMES OF YOUR LIFE!!

G.B.
